# LOAN OPTIONS DRIVEN BY FLEXIBILITY.

If you're interested in equipment ownership, new or used, a personalized loan from Navistar Financial may be right for you. A loan provides no mileage limitations, no vehicle usage limitations, a variety of payment plans and depreciation tax benefits.

- Full payout loan with level monthly payments, the most common repayment schedule
- Level principal payments with declining interest expense
- Skip payments to meet changing cash flow needs with seasonal business
- Balloon financing alternatives to preserve monthly cash flow
- Step-up payments to pay off a loan faster by reducing principle when your budget allows
- Step-down payments for businesses with seasonal revenue
- Delayed first payment to match equipment revenue and costs

A LOAN CAN INCLUDE MUCH MORE THAN THE VEHICLE, INCLUDING THE FOLLOWING

- Truck bodies and vehicle modifications
- Federal excise tax / sales tax
- Vehicle titling fees
- Service solutions
- Extended service contracts

When the loan is fully paid off, the equipment is yours without any further obligation.

# LET NOTHING HOLD YOU BACK.

Leasing offers a variety of benefits.<sup>1</sup> For example, customers who prefer to operate newer equipment can lease instead of purchase and typically pay lower upfront costs and monthly payments.\* Leasing is also a convenient option for customers who are not interested in owning equipment or having to sell or trade the equipment. Different lease types are available, all with fixed monthly payments throughout the lease period.

AS AN ADDED CONVENIENCE, CUSTOMERS MAY INCLUDE THE FOLLOWING WITHIN THEIR LEASE PAYMENT:

- Truck bodies and vehicle modifications
- Service solutions
- Federal excise tax / sales tax
- Extended service contracts
- Vehicle titling fees

## TAX IMPLICATIONS<sup>2</sup>

Lease payments are typically fully deductible as an operating expense. Consult with your tax preparer and reference your local and state tax laws for more details.

Navistar Financial offers several types of leases in order to best meet the needs of your business. The following pages will explain the differences.

\* Lease products are only available on new vehicles

## FINANCE LEASE

A finance lease is intended for customers reasonably certain to purchase the vehicle at lease end, for a predetermined amount (typically \$1 or another nominal amount). Lease payments are fixed over the term and generally larger than other lease products.

### FINANCE LEASE BENEFITS

- Compatible with specialized assets
- No mileage restrictions
- The customer owns the vehicle at end of lease

## TRAC AND SPLIT TRAC LEASE<sup>3</sup>

Terminal Rental Adjustment Clause (TRAC) and Split TRAC leases typically offer lower monthly payments than purchasing but unlike an FMV lease, residual values are predetermined.

If the customer decides not to purchase the vehicle, Navistar Financial can sell the vehicle. The customer will pay selling expenses. The customer will receive any surplus greater than the residual value.

- For a TRAC lease, if the value at lease-end is less than the residual, the customer must pay the full difference.
- For a Split TRAC lease, if the value at lease-end is less than the residual, the customer will pay only up to the specified, maximum liability

For either TRAC lease, the customer can refinance the residual at prevailing used truck finance rates or re-lease the vehicle for a reasonable term, subject to credit approval.

### TRAC AND SPLIT TRAC BENEFITS:

- Lower payments
- Predetermined residuals
- Options to purchase, refinance the residual, or re-lease the vehicle\*

## FAIR MARKET VALUE (FMV) LEASE

A Fair Market Value (FMV) lease offers a fixed monthly payment with no vehicle disposal requirements. Customers can either purchase the vehicle at fair market value or simply return it (after meeting all obligations of the contract, including mileage and return conditions).

### FMV BENEFITS:

- Option but no obligation to purchase the vehicle
- A fixed monthly payment with no vehicle disposal concerns
- Lower monthly payments than other financing options
- No end-of-term residual obligations

\* At prevailing used truck finance rates. Subject to credit approval.

## LOAN ADVANTAGES

- Once the loan is paid off, the vehicle is yours without further obligations
- Loans permit specialty equipment and leases may not
- A wide variety of payment plans are available to suit your needs
- Equipment ownership can allow you to claim depreciation and receive a deduction for interest paid<sup>2</sup>

## LEASE ADVANTAGES

- You only pay for the time you have the equipment, thereby lowering your payments by 20% typically
- Shorter term leases allow you to always enjoy the latest in innovation and efficiency
- At the end of a lease, a variety of options are available, including turning the equipment in, purchasing the equipment, or extending the lease

## COMPARE EQUIPMENT FINANCE OPTIONS

Comparing loan and lease products can help ensure that your business benefits from the right financing solution.

### CREDIT APPLICATION PROCESS

When it's time to add or replace equipment, consider obtaining a line of credit from Navistar Financial.<sup>1</sup>

### PRE-APPROVED LINE OF CREDIT

A pre-approved line of credit can help your business be ready to expand when opportunity appears and have the ability to quickly fund urgent replacement of equipment. A line of credit from Navistar Financial allows you to preserve existing credit from other lenders for non-vehicle lending.

### CREDIT APPLICATION

Getting pre-approved for financing is free, easy, and without commitment. Simply scan the QR code, complete the credit application, and submit it to your local dealer or used truck center.
