# IT'S TIME TO BRING UPTIME TECHNOLOGY TO EVERYONE.

Customers count on Navistar® to deliver the uptime and efficiency required to be successful. With the largest and most comprehensive package of customer support services in the industry, Navistar helps you achieve more efficient repairs and maintenance, better life cycle value and an overall lower total cost of ownership — everything you need to help manage your operations and get the most from your vehicles.

## CONNECTION

A two-year Connection subscription now comes standard with all new International® LT® Series, RH® Series and LoneStar® models and is also available on all commercial truck models 2007 or newer.\*\* Connection enables increased uptime and lower operating costs by providing visibility with real-time vehicle health, repair and maintenance tracking, all within a single, intuitive portal. It's time to take control of your uptime.

## KNOWLEDGE

Knowledge solutions provide customers with access to detailed, VIN-based parts and service information.

- **Parts Information —**  
(Formerly *Fleet Parts Catalog Online*) Detailed parts catalog with illustrations and optional electronic ordering.
- **Service Information —**  
(Formerly *Fleet ISIS®*) VIN-specific service information resources for all Navistar vehicles.

## EDUCATION

Online customer education portals offer web-based courses to help customers keep their technicians up to speed on current technology. Courses are available for vehicle chassis and body, technology systems, engines and brake components.

\*\*Connection is offered with partnering telematics providers. Other terms and conditions may apply. See [oncommandconnection.com](http://oncommandconnection.com) for details.

## REPAIR ADVOCATE

Repair Advocate provides customers with total oversight of the repair experience to ensure that repairs progress as efficiently as possible. (Available for Class 8 highway trucks.)

## FLEET CHARGE®

A Fleet Charge program provides fleets with one open account for parts and service at all participating dealer locations across the United States, Canada and Puerto Rico. Fleets benefit from consistent parts pricing, consolidated billing and optional Emergency Breakdown Service (EBS).

## SERVICE PARTNER<sup>SM</sup>

The Service Partner program provides our fleet customers networkwide (United States and Canada) with fixed labor times for most common vehicle repairs. Available for all customers who qualify for Navistar's Fleet Charge program.

## PARTS RETURN PROGRAM

With the Parts Return Program, customers receive a credit to their Fleet Charge accounts for unused, surplus or obsolete parts from any supplier that are returned to Navistar! To earn the credit, Navistar and the customer agree to grow their parts business together.

For more details, contact your Navistar sales representative or [partsreturnprograms@navistar.com](mailto:partsreturnprograms@navistar.com).
