

TIRE CENTER

WHO WANTS TO SWIM IN DIRTY WATER?

We live in one of the most beautiful states in America. From trees and beaches to fishing, hunting, camping, snowmobiling, trail rides, skiing, boating, and family fun in every season, Michigan offers something for everyone.

Tire retreading is one of the oldest and most effective forms of recycling. Retreading helps reduce the number of tires ending up in landfills and keeps nearly 15 million tires out of the waste stream each year, helping protect our environment.

With dependable quality, proven performance, and significant cost savings, Goodyear retreads are a smart choice for your business and for the environment.

Ask about using Goodyear retreads from K&R Tire Center. Together, we can help keep Michigan — and our country — beautiful for generations to come.

TIRE CENTER

GOODYEAR UNICIRCLE RETREAD

K&R Tire is a direct commercial Goodyear dealer, offering trusted commercial, agriculture, OTR, foam-filled, solid, and construction tire solutions backed by industry-leading brands including Cooper, Roadmaster, Firestone, BKT, and Carlstar. K&R also provides rubber tracks and track systems through authorized partnerships with Camso and Soucy.

With a state-of-the-art Goodyear Retread Plant in Flint, a 200-ton press for specialty tire applications, seven commercial tire shops across Michigan, and more than 20 mobile service trucks, K&R Tire is equipped to keep fleets, farmers, and construction crews running with minimal downtime. Backed by TIA-certified technicians and some of the best Goodyear retread audit scores in the nation, K&R delivers dependable service, quality products, and cost-saving tire solutions customers can trust.
